April 18, 2021

Third Phase of Emergency Covid-19 Measures in TIFR

(April 19 — 30, 2021)

The DAE, in its OM No. 16/6/2020-SCS/COVID-19/Vol.III/4909 dt. 16.04.2021 (**Annexure-1**), has instructed TIFR, among other DAE Units situated in the State of Maharashtra, to follow the Government of Maharashtra 'Break the Chain' Order No. DMU/2020/CR. 92/DisM-1 of 13.04.2021, in its provisions regarding prevention of the spread of Covid-19 infections. The TIFR community is also severely affected, with a second death from Covid-19 having occurred recently.

In view of the above, it is necessary, for the safety of the TIFR community, to minimise daily commuting and footfalls in the Institute till the crisis situation abates. To this end, all the provisions of the last OD dated April 15, 2021 (**Annexure-2**) shall remain in force till April 30, 2021.

In addition, the following protocols may be followed.

1. Covid-positive cases in any of the TIFR colonies who are being sent back for 'Home Quarantine' may inform the Medical Section and request for transportation. This facility will be extended to others, only if possible. It will not be available to those who do not have a covid-positive test result.
2. Entry of delivery boys and doorstep delivery shall be permitted in all the TIFR colonies so long as there is no objection from the BMC or from the delivery boys themselves. In case of the latter, drop box facility should be available in all the colonies. All residents are advised to minimise interactions with these personnel, e.g. not to share lifts with them.
3. The Mandala student bus will remain suspended for the present. All off-campus students and postdocs are advised not to come to the Institute for the above period.

All Institute members are requested to comply.
