Sub - Regarding issue of ticket/ monthly pass for local train travel to Government personnel

Ref - This department's letter dated 24th June, 2021

Sir,

With reference to the above mentioned letter, it was communicated that for enabling local train travel, either State/ Central Government Identity card or the Universal pass would be required. However it is seen that many State Government employees are not being issued tickets/ passes at ticket windows despite having a valid Government Identity Card. This is causing a great deal of inconvenience to the Government personnel.

Hence, it is requested that all Government personnel (State and Central Government) having an valid identity card may be issued monthly passes/ tickets as required.

Thanking you,

Yours,

(Shrirang Ghole)
