June 1, 2021

Further Extension of Fourth Phase of Emergency Covid-19 Measures in TIFR

(June 1 – 15, 2021)

We are in receipt of a new order from the DAE, viz. No. 16/6/2020-SCS-COVID-19/Vol.III/6315 dt. 31.05.2021 (**Annexure-1**), with which is enclosed (a) the MHA Order No 40-3/2020-DM-I(A) dt. 27.05.2021, (b) the DOPT Orders No 11013/9/2014-Estt.A.III dt. 28.05.2021 and 06.05.2021, and (c) the Government of Maharashtra 'Break the Chain' order No. DMU/2020/CR.92/DisM-1, dt. 30.05.2021.

In view of the above, and the abatement of the severity of the pandemic in Mumbai and its environs, all may take note of the following.

- Important work in laboratories, offices and facilities, of the kind which will not bear postponement, may be resumed with limited personnel and maintaining staggered days/timings to minimize contact between individuals. If it is found *really* necessary, day scholars, visiting students, JRFs and SRFs, as well as non-accommodation Visiting Fellows, may also come to work in the Institute, following the above protocols.
- All other current measures in force, as per TIFR Advisories of May 1 and 14, and April 2, 15, 18 and 23, 2021 will remain in force until June 15, 2021, or till further notification. The relevant notification(s) may be viewed at https://main.tifr.res.in/maincampus/tifr_covid19.php
- All are reminded to continue to maintain maximum medical precautions, viz. wearing face masks *properly*, maintaining social distancing ('do gaz ki doori') and frequent washing/sanitizing of hands. Anyone who has covid-like symptoms should immediately get in contact with the Medical Section, TIFR.

All Institute members and families are requested to stay safe, follow these measures, and ensure that we can pass through this difficult time without further loss.

(S. Ramakrishnan)
